Find all NYS Animal Health Requirements for the County & NYS at: [Animal Health Requirements](#)

NYS VET CHECK

Before animals enter facility NYS Vet will be conducting a pre-vet check at a designated area TBD.

Monday 12:00 p.m. - 7:00 p.m. & Tuesday 8:00 a.m. - 1:00 p.m. All animals in place by 1:00 p.m.

NOTICE: There is no available milk market. Any proceeds would be used to offset parlor expenses.

NOTICE: Entries are open to St. Lawrence and all other counties (in New York State). However, the management reserves the right to accept out of county entries in order of presentation only if there is still ample housing after St. Lawrence County exhibitors have been computed.

No additional entries to the exhibitor's application will be allowed after the closing date.

However, an exhibitor may bring a different animal than named on their entry blank if that animal has the proper Health Papers.

All changes or scratches must be at Show Ring by Tuesday, August 4th at 5:00 P.M.

An "exhibitor" is defined as the combined members of an immediate family or partnership whose dairy cattle are housed on the same farm. An exhibitor may show as many animals as entered in a single animal class but will not receive more than two premiums or ribbons per class. **An exhibitor may show only one entry per breed in Best 3 Females & Exhibitor's Herd.**

Cattle must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags", are required. If these papers are not available by 5 p.m. on Tuesday before the show, all entries by that exhibitor will be cancelled and entry fees will be forfeited. Any exhibitor who knowingly enters an animal in any other than the name of the bona fide owner or owners or shows an animal in a lot or class for which it is not eligible, will be barred from showing his entry and any or all premiums previously awarded for other classes will be forfeited.

The Superintendent of Cattle is authorized and empowered to cause the removal from the grounds of any and all animals, (if admitted through an oversight), failing to meet the health conditions herein specified, or if so, instructed by the State inspector.

The judge may at his discretion require any cow to be milked before him in the ring.

Upon request of the Superintendent of Cattle, exhibitors must furnish animals to be used in the Youth Dairy Judging Contest.

To satisfy NYS Labor Department requirements for fire protection, each exhibiting family is required to bring a fire extinguisher for its own use and to be responsible for its safety.

**CLASS Sections: 1 = Holstein 2 = Jersey 3 = Ayrshire
4 = Brown Swiss 5 = Jersey 6 = Milking Shorthorn**

1. Spring Heifer Calf - Born on or after 3/1/26

Place	1st	2nd	3rd	4th	5th	6th	7th	8th	9th	10th
Points	30	25	20	15	10	5	5	5	5	5

In Classes 9-18 the judge may select the cow with the best udder.

In Classes 11-18 Production is based on the cow with the highest 305-day actual milk record on DHI test. The record will be based on the most recently completed lactation. Herd books must be available for inspection prior to the show.

Exhibitors are to bring a list to the ring clerk at the end of the show of the animals they want to qualify for **Premier Exhibitor and Premier Breeder's awards**. The exhibitor winning the most points not to exceed 6 animals in the single classes of one breed, exhibited by himself and/or farm family, shall be designated the winner.

Points for Premier Breeder and Premier Exhibitor
